God's Will

by Inspiration Ministries

"God ... has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace which was granted us in Christ Jesus from all eternity." - 2 Timothy 1:8-9 NASB

Today, millions of people struggle with their jobs. In fact, a recent survey reported that only relatively few workers were "extremely satisfied" with their places of employment.

Many people are unhappy and feel unfulfilled. Others are frustrated by their supervisors, their co-workers, or their work assignments. Many others simply want to know God's will and are not sure of His plans and purposes for their lives.

Faced with these kinds of problems, some people develop bad attitudes. They complain, become discontented, gossip, or spread rumors. Some remain silent, brooding about issues. Some people wonder if they should stay in place or look for another job. During times like these, we need to turn to God's Word and to pray for guidance.

One woman, facing a serious job situation, recently admitted to a phone counselor that she was desperate and deeply concerned. But after praying about this problem, everything changed. She later testified that

God had stepped into the matter, and her work issues were resolved!

Are you facing problems with your job? Your finances? Your relationships? Your family? Your health? Direction? The Bible reminds us that God has a purpose and a plan for you. He has a destiny just for your life. Call on Him right now. Ask Him for wisdom. Submit your life to Him, and offer yourself and all that you have to Him as a living sacrifice.

Prayer

Father, I commit these situations to You: _____. Give me peace. Direct my steps. I know You have a plan for me. In Jesus' name, amen.

Announcements

VBS: It's almost time!!! You will receive a registration link to subscribe your child, grandson etc... Please spread the word, with anyone you know. You will receive more information tomorrow.

- We are pleased to let you know that we are broadcasting our Sunday services via Facebook and YouTube: Hughes UMC. In YouTube use the second channel for the new site.
- **Remember:** now, you can check the daily devotional and Sunday Service on our website.
- Please send us your prayer request, story or anything you would like to share with us. We will upload it to our website.

Special Thanks to Pat Lawson

Our volunteers enjoyed those delicious brownies and refreshing iced tea.

Remember: if you want to help our volunteers, feel free to send snacks or lunch. We will appreciate it.

Riddle Time... Answers

1. Why aren't elephants allowed on the beach?

They can't keep their trunks up!

2. Robert and David were preparing to have a water balloon fight. "No Fair" cried Robert, "You have 3 times as many as I do!" David said "Fine!" and gave Robert 10 more balloons. "Still not fair!" argued Robert, "You still have twice as many as I do." How many more balloons must David give Robert for them to have the same number?

David must give Robert another 20 water balloons, giving them each 60. Robert started with 30 water balloons and David with 90

3. A pet shop owner had a parrot with a sign on its cage that said "Parrot repeats everything it hears".

Davey bought the parrot and for two weeks he spoke to it and it didn't say a word. He returned the parrot but the shopkeeper said he never lied about the parrot.

How can this be?

The parrot was deaf.

4. A boy was at a carnival and went to a booth where a man said to the boy, "If I write your exact weight on this piece of paper then you have to give

me \$50, but if I cannot, I will pay you \$50." The boy looked around and saw no scale so he agrees, thinking no matter what the carny writes he'll just say he weighs more or less. In the end the boy ended up paying the man \$50. How did the man win the bet?

The man did exactly as he said he would and wrote "your exact weight" on the paper.

5. Mr. and Mrs. Mustard have six daughters and each daughter has one brother. How many people are in the Mustard family?

There are nine Mustards in the family. Since each daughter shares the same brother, there are six girls, one boy and Mr. and Mrs. Mustard.

Montgomery County Department of Health and Human Services is Pleased to Announce

**Rapid Response Teams Are Available
for No-Cost Home-Based COVID-19 Testing and
Human Services Screening**

Montgomery County Rapid Response Teams, via a contract with Ready Responders (National Capital Region), PC; will conduct no-cost medical services home visits for COVID-19 testing seven days a week, as scheduled by Montgomery County Department of

Health & Human Services, to improve access to COVID-19 testing and COVID-19 related-medical care for Montgomery County households who:

*Live in geographic areas highly impacted by COVID-19	Are members of population groups disproportionately affected by COVID-19	Are homebound or facing significant barriers to accessing community COVID-19 testing	Have complex or unique household situations in which home-based COVID-19 testing would be more effective than community COVID-19 testing
---	--	--	--

*20850, 20874, 20877, 20886, 20901, 20902, 20903, 20904, 20906, 20910 (as of 7/9/2020)

Ready Responders teams consist of a Health Worker and a Human Services Worker who review and obtain required consent for the medical services home visit from household members during the visit. If any household member has insurance, insurance information is collected to bill for the telemedicine assessment and COVID-19 test- **however there is no cost to household members**

for any part of the home visit, regardless of insurance status.

For each household member who provides consent, Ready Responders will:

1. Conduct a temperature check and measure vital signs.

2. Link to a Ready Responders medical provider who will conduct a telemedicine

assessment. (The provider name and medical license number will be given as well as instructions on how to obtain a copy of the encounter record for telemedicine services.)

3. Administer a self-collected saliva (by spit or swab) COVID-19 test (or a different type of COVID-19 test, if medically needed or a special circumstance) on each household member present that consents to a test.

Individuals testing should not eat, drink, smoke, or chew gum for 30 minutes before collecting saliva.

AdvaGenix laboratory will email the COVID-19 test result (positive or negative) in a secure message directly to the email address provided by the individual tested. A DHHS email address will be provided for any individual without an email address and a DHHS nurse will call the individual with the test result and mail a copy of the result to the address provided.

4. Conduct a brief human services assessment and, based on results, offer services of a DHHS human services navigator to follow-up with them after the visit.

Emergency/urgent medical and human services referrals will be provided on-site – such as calling 911 when for a medical emergency; providing emergency food referrals; or immediate referral to temporary hotel shelter for those who cannot effectively isolate at home.

Ready Responders have multilingual language capacity via bilingual staff and access to the county language line.

To access this service, please e-mail the following information to

C19TestingRequest@montgomerycountymd.gov:

1. Referral category met (one or more of the following):

- a) Live in geographic areas highly impacted by COVID-19 (20850, 20874, 20877, 20886, 20901, 20902, 20903, 20904, 20906, or 20910)
- b) Are members of population groups disproportionately affected by COVID-19
- c) Are homebound or facing significant barriers to accessing community COVID-19 testing
- d) Have complex or unique household situations in which home-based COVID-19 testing would be more effective than community COVID-19 testing

2. Preferred time window for home visit (between 10 am- 1 pm OR 1 pm - 4 pm):

3. Household Point of Contact First & Last Name:

4. Household Point of Contact Phone Number:

5. Household Point of Contact Email Address:

6. Household Address:

7. Language Need(s), if applicable:

8. # of Adults (18+ years) in Household:

9. # of children (0 - 17 yrs.) in Household:

10. Anything else the Rapid Response Team should be aware of (special needs):

symptomatic, positive or presumed positive COVID-19 cases to allow team to prepare accordingly; special directions for getting to the home, etc.)

Ready Responders medical services home visits collect protected health information under the Health Insurance Portability and Accountability Act (HIPAA) and Maryland confidentiality laws. DHHS and Ready Responders cannot disclose information to referring organizations/programs about the visit including telemedicine assessment records or testing status/results.

Please note this service is for conducting medical services visits in individual households only;not nursing homes, assisted living facilities, group homes, or shelters.

HAPPY
WEDNESDAY
